UPDATE OF TRANSITION TO NEW CEO

We are currently working diligently to get BTW operations ready for the trip to Missouri and to the new operation. This is a difficult task as Lynne and I have made keeping BTW going for the last 13 years and having to let it go does not come easy, although we have reached an age where we can no longer give the effort necessary to perform all the duties it requires.

We intend to remain active members of the Association and will do anything we can to help with this effort, although my brain is not able to do much technically anymore.

Your new leadership will need lots of help getting into the swing, with input for the magazine and updated information of memberships and events and happenings in your chapters.

Don't forget this Association belongs to you, the members and without your help it can not succeed.

I want to thank everyone in the organization for your help, support and your friendship which is the most important part for us.

Thank You

Alex and Lynne

Hello to all trikers, I am sure, if you read the update on the Transition to Noel Moss, you know we have been very busy but we also have been busy setting up the new digital magazine and adding some new ways to get it to you .

You will see more changes in the coming issues. We plan to travel more and attend as many events as possible in the coming years.

You might notice that while preparing this issue we lost one of our riders here in Tucson, while he was riding his trike in town, which has been a shock to us all.

On a better note, we are seeing more new members and hoping that more members will step up and take director positions so we can better serve the members everywhere. It is not a major job but does make your chapters more involved and informed.

We are updating most of the operation here at HQ and this should make ev-

erything smoother for those doing the work. As the weather is starting to improve around the country and I hope in other parts of the world, we can all get our trikes on the road, so Ride safe and enjoy triking

MEMBER SALUTE

On behalf of BTW and all the members I would like to thank the following Chapters, State and individuals who have so generously donated funds to BTW which kept our Organization going during these difficult times. Without these donations, our Association would not be able to survive. We are hanging on by a thread and we still need help until some of our events take place. Any amount will help to keep things going.

FROM THE MEMBERS

Russ Lamb lets us know: Sometimes we have to park our trikes for a few years and the State pulls our personal license plate for non renewal. Then of course we have to buy it again. I remembered a plate I saw on another trike, one that everybody wished they had thought of first. With that said....

ITEMS OF INTEREST

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
