Triker Magazine is a bi-monthly publication published by Brothers of the Third Wheel and printed by Sundance Press (Tucson, AZ).

We welcome your submissions (stories & photos) pertaining to trikes/BTW. We MUST receive these by the end of the first week of Dec. Feb. Apr. June. Aug. Oct. in order to be in the next publication.

FOR ADVERTISING INFORMATION

Please contact Alex at 520-334-0534
or E-mail alex@btw-hq.net

PLEASE SUBMIT ALL PHOTO & ARTICLES TO:

Disclaimer:

BTW/Triker Magazine does not assume liability for any products or services listed in this publication. BTW/Triker Magazine does not assume any liability for loss or damage due to errors/omissions, products, or services listed (including, but not limited to materials and techniques used to convert motorcycles into three-wheeled Trikes). Every effort is made to ensure the information in this publication is correct at the time of printing.

Submissions will not be returned and are subject to editing/alterations.

BACK COVER:

This is a wild logo I put together that got a little dramatic but that is what you get when an old senile biker is let loose on the computer.

***FROM THE DESK of
ICE MAN
(Alex)***

Hello to all trikers, well summer is supposed to be over and fall should be upon us, but someone forgot to let mother nature know because it is still in the hundreds here in Arizona and the rest of the country is either wet, cold or snowing. They keep promising that next week it will drop into the 70s but it just doesn't happen.

Our members have had a few events and from the few photos we have received it looks like a great time was had and I can't wait until next season so we can join in on the Venom.

As you will see Jim Lee has posted a comment about the lack of involvement by our membership in helping BTW operate for the benefit of all the members and based on the new membership numbers I have to agree with him. I am currently putting some

ideas and possible changes together to present to the board in the next 2 months for the new year and will post all the approved items in the next issue of the Triker. I hope everyone has a great Thanksgiving and a Merry Christmas. I for those of us who still have the weather ride safe and enjoy Triking!

The Front Cover: Had a Little bit of fun putting all this stuff together to get the spirit going

NOTICE: The Financial Statement for 2022 is completed and posted to the Web Site

WE ARE CONTINUING THE REDUCED MEMBERSHIP PROGRAM FOR 2024, AS YOU CAN SEE THE MEMBERSHIP COSTS ARE SIGNIFICANTLY LESS THAN THEY HAVE BEEN FOR SEVERAL YEARS AND THE PRINTED MAGAZINE, WHICH HAS SKYROCKETED IN COST, BOTH FOR PRINTING AND MAILING HAS BEEN SET UP AS A SUBSCRIPTION AT THE ACTUAL COST OF PRINTING. THIS ALLOWS FOR EVERYONE TO PAY FOR THIS SEPARATELY. I HOPE THIS WILL HELP EVERYONE AND HELP WITH INCREASING OUR MEMBERSHIP

MEMBER SALUTE

On behalf of BTW and all the members I would like to thank the following Chapters, State and individuals who have so generously donated funds to BTW which kept our Organization going during these difficult times. Without these donations, our Association would not be able to survive. We are hanging on by a thread and we still need help until some of our events take place. Any amount will help to keep things going.

ITEMS OF INTEREST

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

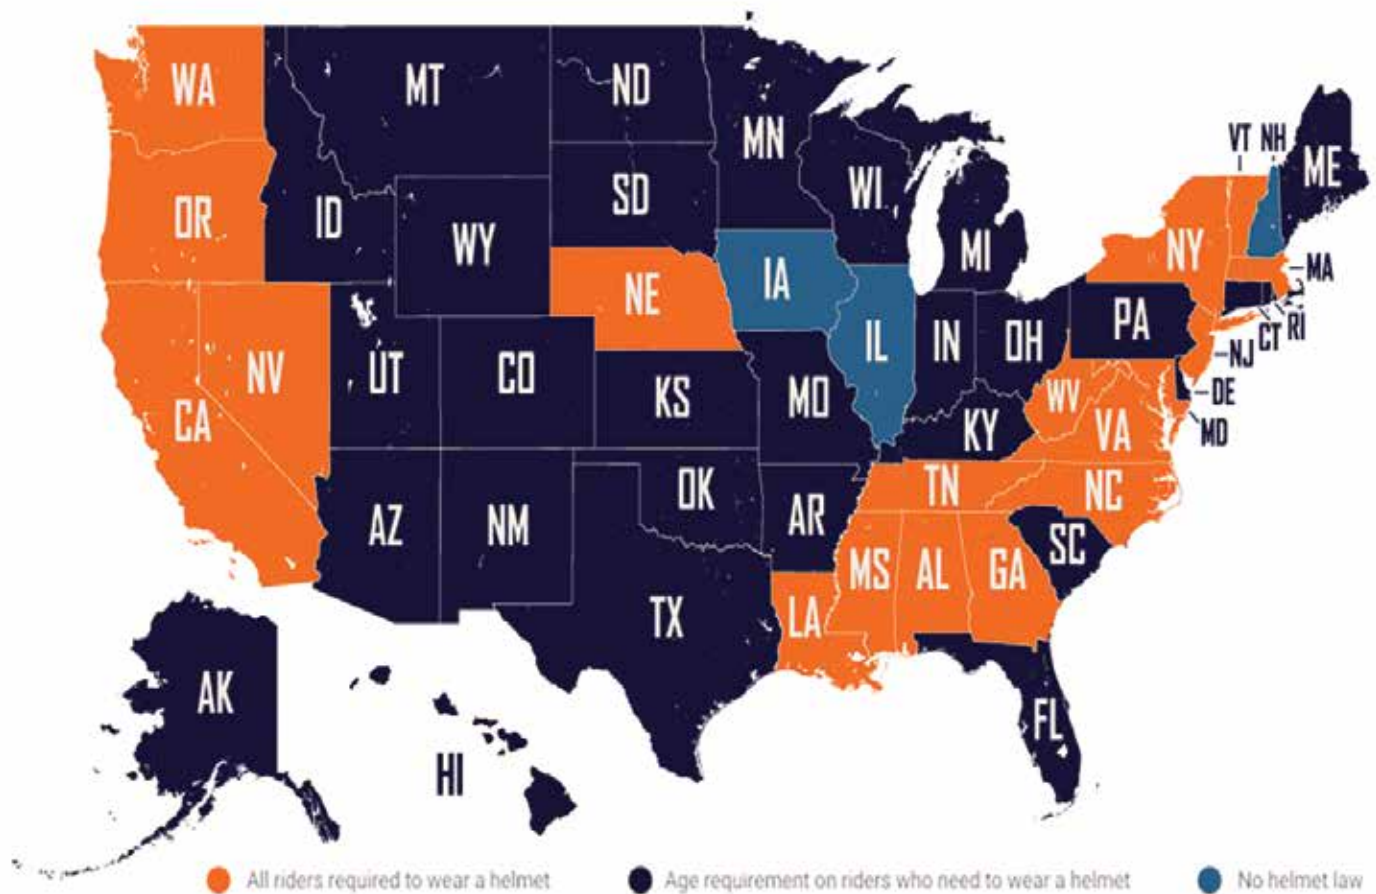

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

FROM THE MEMBERS

Barb Riffel of Valley City, OH. submits how she came to be a BTW member. In 1982 my husband's brother, Doy, and some friends started building trikes. He asked my husband, Bill, to help since he was a welder. That led to Bill building his own trike. He found two wrecked VW's and used parts from both to build our trike in 1983. He painted it maroon, put two VW seats on it, built a box on each side of the back seat for storage, etc. Years later, after Bill passed away, I had it painted red, white & blue in his honor, since he was a WWII veteran. Not long after that, I found out about BTW in Ohio and joined in 1994. I am a past secretary of my chapter. I have entered my trike in many parades & have even won a couple trophies. This 83 year old lady still rides it today. The black trike in the picture is the one Doy built. It is still in the family, owned by Doy's nephew, Bryon

Hi All Brothers and Sisters

This is a hard one for me. I may ramble a bit here but please bear with me I will eventually get to my point. Everything has an expiration date from a loaf of bread to us. We never know when ours is up but I came close to mine on September 18 when I had my heart attack, but thanks to my wonderful wife and a good emergency room team I got another extension on mine. BTW is reaching it's expiration date. I've seen Chapters with almost 200 members close down because the Director passed away, so what would happen to your Chapter if that happened? BTW has 8 Regions but only 4 Regional Directors . At one point every state had a Director but now only a few still do. I'm currently number 2 on the food chain of BTW and with my age and health there is NO WAY I could step up if something happened to Alex and although he seems fairly healthy he has been through the Cancer and Heart issues just like me and he is also MUCH older than me. So what happens when he reaches his expiration date? BTW needs people to step up and recruit new members and step up to be Directors . It's not that hard of a job if we all pitch in and help. Or we can sit back and do nothing and WATCH BTW DIE A SLOW DEATH. So who will step up? I'm done for now . Thanks for putting up with me. Peace and Love Jim Lee Asst Exec. Director

NEWS FROM AROUND THE WORLD ON TRIKES

Noel Moss shares: The annual Missouri Fall Reunion Trike-In was held at Meramec Caverns on Sept 19-21, 2024. This year 23 people attended including new member Anthony Parnell from Baton Rouge, LA. Anthony took the scenic route getting here on his silver trike by way of Austin, TX and the Kansas state trike-in. Bob & Pat's BBQ in St. Clair, MO catered the event. Tom Semro brought his new white trike for its shake-down rides and Sam Lisenbee's trike sported a nifty roof that had been added just days before the trike-in. Kathy Engemann finally had enough of blown head gaskets on her V-Twin rear-engine trike so she rode her newly acquired VW powered buggy. It's a cool ride. Although some people were still arriving on day one, those of us who were already here took a ride via Hwy 47 up to Washington, MO for lunch at Marquarts Landing overlooking the Missouri River. While there, several coal trains and the Amtrak from Kansas City passed by. We took the scenic route back to the caverns via Hwy 100 and Hwy 185 over the rolling hills landscape. Day 2, we took a rather long 156-mile ride to Missouri Mines State Historic Site in Park Hills, MO, which is in the middle of the Missouri lead mining belt. The route followed Hwy 47 and Hwy 21 south, with a fuel stop in Old Mines, MO. We continued to Bonne Terre, MO and then Hwy Business 67 to Desloge where we had lunch at Ragin' Rooster Bar & Grill. After lunch we rode all of one mile to the mine facility. The entire region is honeycombed with mines, most of which are no longer in use and are flooded. The flooded Bonne Terre Mine is open to the public for walks and subterranean diving. The state historic site is a former ore processing facility that has a museum containing old mining equipment and an impressive display of crystals and ore. One of the docents gave our group a brief tour of the facility. The return ride was a scenic route via Irondale Road, Hwy M and Hwy U to a fuel stop in Potosi. Then we rode Hwy 185 to Sullivan, and the I-44 service road back to the caverns. We can't have a trike-in without at least one breakdown. Mr. Parnell's trike obliged by having a battery failure as he was pulling out onto Hwy U. Fortunately Mr. Parnell had the foresight to be carrying a set of tools and a spare battery, so we were able to do a fairly quick roadside repair and get him back on the road without any drama. Day 3- Since the previous days had been very hot and there was rain in the forecast, the 160+ mile Mark Twain State Forest ride that had originally been planned was scrapped and replaced with a shorter ride through Missouri wine country. We headed up Hwy 47 to Union, MO and then picked up Hwy V and Hwy T, a couple of very scenic and narrow twisty roads that brought us to the western suburbs of St. Louis. From there we crossed the Missouri River to Hwy 94 which follows the bluffs overlooking the river while passing many vineyards and wineries. We made a lunch stop at Wente's Roadhouse in Defiance, MO followed by an hour of riding via Hwy 94, Hwy 47 and the I-44 service road to return to the caverns. That evening we held our silent auction and had barbecued pork steaks and chicken catered by Bob & Pat's BBQ (highly recommended). Dinner and the auction were followed by a discussion regarding the 2025 Fall Reunion and Central States Trike-Ins. We have been holding the Fall Reunion Trike-In at Meramec Caverns for many years and have ridden just about all the decent ride routes in the area several times. The group's opinion was that it's time to select another venue in a different part of the state. Two possibilities are Perryville, MO, where we held the 2024 Central States Trike-In and the area near Mark Twain Lake in northern Missouri. We will be looking at other locations as well and are open to suggestions and recommendations. It was also announced that the 2025 Central States Trike-In will be held in Mountain View, AR, at Mountain View RV Park and Guest Motel. Keep an eye open for more information about both of these 2025 trike-ins.

Kathryn Henry and the Coastal Cruisers joined the family of Doug "Grizz" Woodbury in a celebration of life. RIP you will be missed.

Coastal Cruisers spent a beautiful fall Sunday riding to Latin Cider Mills for fresh apple fritters followed by a nice ride to Jim Bob's for lunch. Such beautiful fall colors and the weather was perfect. So much fun to enjoy one of the last summer days with great friends. Kathryn Henry

Kathryn Henry is with Coastal Cruisers' unofficial photographer! Thanks Linda Churchward for always capturing our fun memories.

Margaret Winebrenner sent photos of their great Fall Northern California Trike-In. Amazing weather broke just before it began, previously was in the high 100's so we had a great weekend. Got home late last night. Wonderful time was held by all at the Northern California Trike-In hosted by River City Trikers and Wind Riders Trikers. Beautiful riding weather, amazing scenery and great friends! Saturday's dinner main entree was provided by our hosts and was some of the best tri-tip we ever ate. Had a special CHEF that cooked us breakfast in the mornings. Way to go Eugene! We had quite a few riders that joined us for just one ride either day, so each day we were almost a new group. Our thoughts go out to Jim and Debbie as she goes thru some treatments, they were not able to attend. We had a little mascot this weekend , a dog named Einstein who LOVES riding trikes, went on both of our rides. Thanks to Eugene for many photos in this issue. In our pictures here, you see people every age, physical condition and abilities and an interest in trikes brought us all together. We need to keep moving my friends! Keep triking! LOL Next Year the dates for Northern California Trike-In are OCT 9-12 2025 Sycamore Campgrounds. Enjoy the Fall weather and enjoy great Trike riding in

In Memory of Trikers Lost

Jack Worthy, passed away Jun, 2024, a member of the BTW family since 2004. His favorite pastime was time with his grandchildren, stock car racing, antique tractors and BTW, where he formed lasting friendships. Our condolences go out to his wife, Denise, and the rest of his family and friends.

Doug "Grizz" Woodbury. PASS ON Our thoughts and prayers go out to the family Grizz was a part of Coastal Cruisers. We will miss his joking and his laugh. Grizz was an avid hunter. He left us with these words of wisdom from Sasquatch: Be yourself , It's ok to show up unexpectedly, Make a big impression, Be gentle on the earth, Embrace mystery, Spend time in the woods, Live a legendary life!, He lived by these words as does his wife of 48 years. Hugs Bonnie, we are here for you.

Bruce Kline passed away Aug 15, 2024 Ohio has lost a long time member.. He was the Chapter Director of the Threedom Riders. Our thoughts and prayers go out to his wife Ginger and his family.

MAY THEY REST IN PEACE

TRIKE INFORMATION

Is a trike harder to ride than a motorcycle?

As riders age, many are switching to trikes because they are easier to ride, more comfortable, and safer. Even those who are new to motorcycles can feel more comfortable riding a trike. Some men say that after getting a trike they were able to convince their wives to ride along.

Do trikes flip easy

The idea that a trike will tip over is only true if ridden improperly

Is it hard to ride a trike motorcycle for beginners?

Stability — Trikes have more contact points with the ride, giving them a smoother and more stable ride than two-wheeled motorcycles. Comfort — Riding a motor trike instead of a traditional motorcycle takes the pressure off your knees and leg muscles because you don't need to lean your body to steer.

A trike is completely safe for seniors as long as you ride it the correct way with the correct precautions

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
